Kapanakis, this afternoon and that the Town Solicitor, who is not present, has requested Council continue the hearing. Attorney Bernstein added that the “applicants” are on board with a continuance and submitted a memo which he would like to be part of the record. To: Town Council Members
From: Karen Scott, Town Planner
Date: May 15, 2023
RE: Advisory Opinion, Special Flood Hazard Areas - Zoning Ordinance
Revision

At their May 8, 2023 meeting, the Planning Board voted to send the attached Advisory Opinion to the Town Council for consideration.

Special flood hazard areas and flood fringe lands zoning ordinance revision
Advisory Opinion of the Planning Board

At their May 8, 2023 meeting, the following motion was made by Planning Board Vice-Chairperson David Calderara:

After careful consideration and discussion, the Glocester Planning Board hereby recommends that the Town Council enact revisions to the Glocester Zoning Ordinance as detailed in the attached Draft Section 350-55, Special flood hazard areas and flood fringe lands zoning ordinance revision, dated 4/24/23. Said revisions further specifically name the panel numbers of the Providence County Flood Insurance Rate Maps that are wholly or partially within the Town of Glocester, as is required by the Federal Emergency Management Agency (FEMA). The Board recommendation in this regard is based upon the following Findings of Fact Relating to Consistency with the Glocester Comprehensive Community Plan and Purposes of Zoning per R.I.G.L. Title 45 Chapter 24, ‘the Zoning Enabling Act of 1991’ as noted below.

Findings of Fact
Consistency with the Comprehensive Community Plan

1. The proposed amendments are consistent with the goal of the Land Use Element: Preserve the rural character of Glocester for future generations while enhancing services and facilities, housing, open space and recreation, natural and cultural resources, circulation and economic development.

2. The proposed amendments are consistent with the policies of the Land Use Element:
   a. Protect, enhance and maintain the unique natural and historical features of Glocester while allowing for appropriate development to occur.
   b. Encourage responsible land use decisions by public officials and public bodies.

Consistency with the Purposes of Zoning:
The Planning Board finds that the proposed zoning amendments are consistent with the following general purposes of zoning ordinances per RIGL § 45-24-30:

1. Promoting the public health, safety and general welfare.
2. Providing for a range of uses and intensities of use appropriate to the character of the city or town and reflecting current and expected future needs.
3. Providing for orderly growth and development which recognizes:
   (i) The natural characteristics of the land, including its suitability for use based on soil characteristics, topography, and susceptibility to surface or groundwater pollution;
   (ii) The values of unique or valuable natural resources and features.
4. Promoting safety from fire, flood and other natural or unnatural disasters.

In making this recommendation, the Board has considered the following:
1. Discussions held at the May 8, 2023 regular meeting; and
2. Written guidance from both the Rhode Island Emergency Management Agency (RIEMA) and FEMA;

Based on the above findings, I hereby make a motion to recommend approval of the draft Special flood hazard areas and flood fringe lands zoning ordinance revision, dated April 24, 2023 to the Glocester Town Council.

The motion was seconded by Planning Board member Lynn Furney. Approved 4-0. Ayes – Calderara, Fournier, Furney, Pitocco.

Memorandum of Agreement
This Memorandum of Agreement is between the Town of Glocester (“the Town”) and Local Union 1322 of the Laborers’ International Union of North America, AFL-CIO (“the Union”) - Regarding Additional Personal Day

Councilor W. Steere stated that the Clerk’s Union was recently granted an additional personal day in their newly ratified contract. Councilor W. Steere stated there was concern that all clerk’s may not be able to use this new day before the end of the fiscal year. Councilor W. Steere stated that Councilor Arnold agreed to put an agenda item on for Council to consider allowing the clerk’s to carry that one new day over to the next fiscal year, if necessary. Councilor W. Memorandum of Agreement
This Memorandum of Agreement is between the Town of Glocester (“the Town”) and Local Union 1322 of the Laborers’ International Union of North America, AFL-CIO (“the Union”), collectively “the Parties”, both parties to the collective bargaining agreement (“the Successor Agreement”) ratified by Council on May 18, 2023.
Whereas the Parties have ratified a Successor Agreement to the collective bargaining agreement that expired on June 30, 2022, and

Whereas the Successor Agreement adds one (1) personal day under Article VIII, Holidays, and

Whereas personal days have traditionally been used within the fiscal year (July 1-June 30) in which they were accrued, and

Whereas the date of the ratification of the Successor Agreement occurred near the end of the 2022-2023 fiscal year,

Now therefore, the Parties agree as follows:
(1) Owing to the unusual circumstance of the addition of a personal day to the Successor Agreement late in the 2022-2023 fiscal year, bargaining unit members may carry over one (1) of the three (3) personal days accrued for fiscal year ending June 30, 2023, to be used on or before December 28, 2023;

(2) As in the past, the remaining two (2) personal days accrued during the 2022-2023 fiscal year shall be used or forfeited by June 30, 2023; and

(3) All personal days accrued during the remaining years of the Successor Agreement will be used by bargaining unit members by the end of the fiscal year in which they are accrued or forfeited

Councilor W. Steere stated that the agreement does need to be signed and dated by the Town Council President and Union representation.

Discussion: Councilor W. Steere asked R. Shields, Recreation Director, if all of the summer employees were from Glocester. R. Shields stated that not all were Glocester residents. R. Shields stated that all Glocester residents who applied received a phone call to see if they wanted to work this summer. R. Shields stated that all Glocester applicants were given the opportunity to apply.

MOTION was made by Councilor C. Greathouse to APPOINT the 2023 Summer Employees as stated in the Recreation Director’s memo, of June 13, 2023, as read into the record. Appointments shall be at the hourly rate and start date recommended by the Recreation Director in said memo; the lottery for Parking Attendants shall be filled as follows: #1 Ryan Shields, #2 Dylan Manchester, #3 Chase Braxton, #4 Mario Girard, #5 Christian Campanella and #6 Taryn Cabral; seconded by Councilor J. Burlingame.

Discussion: Councilor W. Steere stated he had asked for the motion a bit prematurely as the lottery for parking lot attendants needed to be completed. R. Shields explained that the lottery this year was for six positions and there were six applicants so the lottery would be for the choices of hours. R. Shields had attendees at the meeting select the six lottery positions that were selected in the following order: Ryan Shields, Dylan Manchester, Chase Braxton, Mario Girard, Christian Campanella and Taryn Cabral. Councilor C. Greathouse then added the Parking Lot lottery attendants to the motion which was seconded and then voted.

3. Discussion/or action Re: Advertising/hiring for available Part Time Clerk Position - Finance Dept.
Councilor J. Burlingame stated that he requested this item as it is his opinion the clerks in the finance department work very hard and a part time position is available so he would like it filled. Councilor J. Burlingame stated he spoke to Councilor S. Arnold and the school superintendent and he stated that both said they would like the position filled. Councilor J. Burlingame stated that the part time position is in the budget.

Councilor W. Steere questioned the job description and whether it would be devoted to the finance department or the school department. Councilor J. Burlingame stated his opinion that it is necessary to get a person in this position to help the workload of the clerks and that when a Finance Director is hired then he/she can reorganize as he/she sees fit.

J. Steere, Tax Collector and Interim Finance Director, stated her opinion that we should wait to fill
this position until after a Finance Director is hired. J. Steere stated that this part time position was
originally created to help the police department with police detail invoices. J. Steere asked if this
position is to be for the school department, then perhaps, the school department should fund it. J.
Steere stated again her opinion is to wait to fill this position until after a Finance Director is hired.
J. Steere stated that a new Finance Director could assess what is done in the office and what needs
to be done. J. Steere stated her opinion that filling the position now is premature.

Councilor W. Steere suggested tabling this matter in order for the entire Council to be present and
to consider. Councilor J. Burlingame stated he would like to get a vote and move this item along.
Councilor W. Steere asked who would train this new person. Councilor J. Burlingame stated that
the current clerks could train.
J. Steere asked what the job responsibilities of this position would be and also stated that there is
no supervision in the office.
J. Fecteau, Town Clerk, stated her agreement with J. Steere in that it is not a good idea to just put
a person in the office as they do need training and supervision. Councilor W. Steere stated that J.
Steere is already doing two jobs so he feels she can’t be asked to take on training and supervising
this new person. J. Fecteau stated that at least it should be determined where that office needs help.
Councilor J. Burlingame asked J. Steere if she felt that the finance clerks needed help in that office.
J. Steere stated her opinion that the clerks were all doing their job but that it would be better to wait
until a Finance Director is hired who could assess the duties of the current employees and then
make a decision as to any needs. J. Steere stated that this part time position was to help the police
department; that it is not just for filing; and, that it has been vacant for three years.

Chief Delprete stated that this position was to help with the police detail paper work but that his
office is handling it and that it has been vacant for a long time. Councilor W. Steere stated his
recollection that the position was originally to help the police department. Chief Delprete stated
that his department is handling this matter and it takes several hours each pay period. Councilor J.
Burlingame asked if a temporary clerk might be hired. Councilor W. Steere stated that he
understands what Councilor J. Burlingame and J. Steere have said but, he would like the input from
Councilors S. Arnold and W. Worthy.

Request for hourly increase - Two Part time Dispatchers

Councilor W. Steere stated that the Chief has made the following request which he read as follows:

To: Don Zimmerman, Human Resource
From: Joseph DelPrete, Chief of Police
Date: May 21, 2023
Subj: Part Time Dispatcher Hourly Wage Increase

Don Zimmerman:
I would respectfully request to increase the hourly wage of two part-time dispatchers on the Glocester Police Department to $21.00 per hour. This position requires extensive training and responsibility dispatching both police and EMS emergency calls for service. This increase is still below the full-time dispatcher Laborers Dispatcher collective bargaining agreement hourly base first step of $24.31 increase starting on July 1, 2023.

The purpose of this increase is for job retention and to maintain market competitiveness with other public safety agencies. There were recent advertisements for police part-time dispatchers between $22.00 and $24.00/hour.

Currently, Part-time dispatcher Sean Tikiryan’s part-time rate is $18.60 per hour. Permanent Part-time dispatcher Eric McLaughlin’s hourly rate is $19.00 per hour.

I believe it is imperative to maintain and fairly compensate these two part-time employees. I further request that this hourly rate change take place for both dispatchers on July 1st, 2023. The Police FY2023-FY2024 budget can support this increase.

Thank you for your consideration in this matter.
Respectfully Submitted,
Joseph DelPrete
(End of memo)

Discussion: Councilor W. Steere stated his concern as to whether the budget passed by the voters can support this request. Councilor W. Steere stated that Chief Delprete indicated in his memo that the budget can support this request. Chief Delprete stated that the part time dispatchers will fill in for the full time dispatchers instead of calling the full time dispatchers back to work. Chief Delprete stated that this is a savings because part time dispatchers get paid less than the full time dispatchers.

Councilor J. Burlingame asked why the salaries were not the same. Chief Delprete stated that it is arbitrary as the pay for part time dispatchers starts lower during training and typically is increased after training. Chief Delprete stated that this is another avenue to use instead of calling full time dispatchers back at higher rates and that it is hard to fill dispatch positions. Chief Delprete also stated that this change in pay will help retain employees as the pay is more competitive with the market.

MOTION was made by Councilor J. Burlingame to AUTHORIZE a rate change from current rate of pay to $21.00 per hour, effective July 1, 2023, for Part time Police Dispatcher Eric McLaughlin and Sean Tikiryan; seconded by Councilor C. Greathouse

Mosca explained that he is already in the system but that this memo is required by the state in order for G. Mosca to electronically sign in to the new automated system. Councilor W. Steere stated that G. Mosca has brought in hundreds of thousands of dollars in grants over the past five years. G. Mosca stated that time is a concern as the signature is required by the end of the month.

2. W. Steere, resident, explained his view that years ago the town never got involved with the handling of police details because it was handled between the police officer and the vendor. W. Steere stated that the town took over because he believes some officers were having trouble getting paid. W. Steere stated this is an expense for the town. W. Steere stated that if the town is now going to hire someone to do this job then maybe an additional amount could be added to the detail rates so the town does not pay.

    W. Steere stated that the comment that was made that money was not put into the budget with the understanding that it would be put back in later does not make him feel good and is not good accounting or good for the town. W. Steere stated his opinion that this money not be put back in to the budget.

3. Chief Delprete wanted to clarify that the town does not incur any costs in the administration of police details. Chief Delprete stated that the department has handled this matter in the past.
